Pune, Maharashtra - 411033, India

OBJECTIVE

Seeking a challenging position in software development to leverage my expertise in full-stack web development, problem-solving, and innovative design. Aiming to contribute to cutting-edge projects at the intersection of technology, user experience, and practical problem-solving in fields such as digital transformation and scalable web solutions.

EXPERIENCE

• **Markyway [⊕]** — *Feb 2024 – Current*
Software Developer — Pune, India
- Spearheaded the development of a task automation system, resulting in a 30% reduction in manual workload in the operations team.
- Engineered and deployed a cloud-based CI/CD pipeline, optimizing deployment time by 50%.
- Built and deployed over 5+ live websites, ensuring optimized performance, security, and user experience.
- Analyzed sales and customer feedback data, uncovering trends that boosted product adoption by 20%.
- Managed site maintenance, updates, and user support as a web administrator.

• **Microspectra Software Technologies Pvt Ltd [⊕]** — *July 2022 – Sep 2022*
Java Development Intern — Remote
- Built a fitness center website with features for memberships, class schedules, and online bookings.
- Enhanced user engagement by implementing responsive and user-friendly designs.

EDUCATION

• **JSPM'S Rajarshi Shahu College of Engineering, Pune** — *2023 - 2026*
Btech In Information Technology — Pune, India
- CGPA: 8.54

• **Government Polytechnic Amravati** — *2020 - 2023*
Diploma in Information Technology — Amravati, India
- Percentage: 89.79%

• **Kashibai Agrawal Vidyalaya, Yeoda** — *2020*
Secondary Education — Yeoda, India
- Percentage: 92.60%

PROJECTS

• **Markyway: E-Commerce Website** — *Feb 2024*
Tools: HTML, CSS, Bootstrap   [] [Live Site: Markyway]
- Developed an e-commerce website for Markyway, featuring a user-friendly interface and responsive design
- Implemented Bootstrap for mobile-first design, achieving a 90% optimized user experience across devices
- Applied responsive design techniques to ensure the website is accessible on 95% of screen sizes

• **Capriole | Sports Tech Platform** — *Sep 2024*
Tools: PHP, HTML, CSS, Bootstrap, API Integrations   [] [Live Site: Capriole]
- Developed a feature-rich sports tech platform with a PHP backend and HTML, CSS, and Bootstrap frontend
- Implemented API integrations to send data seamlessly between platform components
- Boosted accessibility and engagement, resulting in a 20% growth in the user base

• **Hemkanti | A Skin Care Clinic** — *Nov 2024*
Tools: Next.js (v13+), JSX, Tailwind CSS, DaisyUI, API Integrations   [] [Live Site: Hemkanti]
- Developed a modern skin care clinic website using Next.js (v13+), JSX, and Tailwind CSS, achieving a 90% faster load time compared to previous versions
- Implemented DaisyUI for reusable, customizable UI components, improving design consistency by 80%
- Integrated APIs for seamless appointment booking and client management, improving user engagement by 25%
- Optimized the website for speed, resulting in a 40% decrease in bounce rate and a 15% increase in user retention

- **TruSkill | Skill Development Platform** *Jan 2025 – Present*
  Tools: Next.js (v13+), TypeScript, Tailwind CSS, GraphQL, Strapi, VPS [☺] [Live Site: TruSkill]
  ◦ Designing and developing a robust skill development platform using Next.js (v13+) and TypeScript, ensuring scalable and maintainable architecture
  ◦ Leveraging Strapi as a headless CMS to build a powerful backend, integrating GraphQL for efficient data querying and flexible API endpoints
  ◦ Implementing Tailwind CSS for modern, responsive UI designs to ensure a seamless user experience across devices
  ◦ Deployed the platform using VPS hosting, configured with Nginx for optimal performance and reliability
  ◦ Integrated user authentication and role-based access control to enhance security and user management
  ◦ Conducting performance optimization, achieving faster load times and improved user engagement metrics

SKILLS

◦ **Programming Languages:** JavaScript, Python, C++, Java, SQL
◦ **Web Technologies:** HTML, CSS, React, Next.js, Bootstrap, Strapi, GraphQL
◦ **Database Systems:** MySQL, PostgreSQL, MongoDB
◦ **Data Science & Machine Learning:** TensorFlow, Scikit-learn, NumPy, Pandas, Matplotlib
◦ **Cloud Technologies:** Familiar with AWS, Google Cloud, Azure platforms
◦ **DevOps & Version Control:** Git, Docker, Jenkins, Kubernetes, CI/CD
◦ **Specialized Area:** Full Stack Development, Web Performance Optimization, Web Administration
◦ **Other Tools & Technologies:** Firebase, Postman, Jupyter Notebook
◦ **Web Hosting and cPanel Management:** cPanel (Hostinger, GoDaddy), Apache, FTP/SFTP, DNS Configuration (Nameserver Setup), SSL Installation, Web Server Management, File Management, Email Configuration, Database Management, Domain Management, Backup and Restoration, Website Migration
◦ **Deployment and Version Control:** Git, GitHub, GitLab, Docker, CI/CD Pipelines, Vercel, Netlify, Firebase Hosting
◦ **Soft Skills:** Leadership, Team Collaboration, Problem Solving, Communication, Adaptability, Time Management, Attention to Detail

CERTIFICATIONS & ACHIEVEMENTS

◦ **Hackspiration'24 Winner** | View Certificate
  Won the Hackspiration'24 Hackathon for delivering an innovative software solution, showcasing technical expertise and creativity in problem-solving.

◦ **College Topper in Coding Ninjas**
  Achieved top rank in the Coding Ninjas course, demonstrating exceptional problem-solving and coding skills.

◦ **MongoDB Certified**
  Issued by MongoDB | View Certificate

◦ **TCS iON Career Edge - Young Professional**
  Issued by TCS iON | View Certificate

◦ **Google Cloud Skills Boost - Introduction to Generative AI**
  Issued by Google Cloud | View Certificate

◦ **Student of the Week**
  Issued by Inspire, Jun 2019 | Awarded Best Learner Best English Speaker at Inspire Institute, Daryapur.

◦ **IAENG Membership**
  International Association of Engineers | Member ID: 357433

◦ **Young Turks Round 1 Achievement**
  Issued by Young Turks India, Oct 2024 | Recognition for outstanding performance in the first round of the Young Turks competition. | View Certificate

◦ **Postman API Fundamentals Student Expert**
  Issued by Canvas Credentials (Badgr) | Credential ID: 6730ce17ab91e618526d9173 | View Certificate

◦ **Sparkathon Participation Certificate**
  Issued by Walmart | View Certificate

◦ **GIT, GitLab, GitHub Fundamentals for Software Developers**
  Issued by Udemy | View Certificate
